Morning arrival in Annapolis, Maryland to enjoy and explore the waterfront. This afternoon board a boat for a two hour cruise which will include opportunities to view the Blue Angels, as they perform above us. The Blue Angels are the United States Navy's flight demonstration squadron. It was formed in 1946 making it the second oldest formal flying aerobatic team in the world. The Blue Angels' six demonstration pilots fly the F/A-18 Hornet in more than 70 shows, at 34 locations throughout the United States each year. They still employ many of the same practices and techniques used in their aerial displays from 1946. An estimated 11 million spectators view the squadron during air shows each year. Don't miss the chance to see this spectacular event. Following the cruise, enjoy spending independent time in Annapolis, with 18th century buildings. It's like stepping back in time to the days when the city was a colonial seaport. Leisure time is included for an early dinner on your own. Annapolis has a large variety of restaurants to satisfy every taste.

****The Blue Angels flight schedule is subject to change at any time without notification and/or compensation**.**
