Welcome to the Thousand Islands! It's here that Ontario and the United States meet, their cultures blending in the waters of the mighty St. Lawrence and Great Lake Ontario. Natives called this region the "Garden of the Great Spirit." Today, many people still remark that this gorgeous garden of woods and water, that is the 1000 Islands, is truly one of the most beautiful places on the planet. This afternoon, enjoy a tasting at the Thousand Islands Winery. Experience the charming atmosphere of the Winery, housed in the original 1923 Sears & Roebuck barn while the friendly & knowledgeable staff reveals information on their award winning wines and the history of the property. Check into the hotel with time to freshen up before a delightful dinner this evening. Hotel: *Capt. Thomson's Resort*, Alexandria Bay, NY (Dinner)

The cruise is a 22-mile journey through the international waters of America and Canada giving the best view of this truly unique geographical area shared by two nations, and you don't even need a passport! Enjoy historic and scenic wonders in both the American and Canadian sections of the 1000 Islands. Hear the colorful history of the magnificent gilded age homes and landmarks such as Sunken Rock Lighthouse and Devils Oven. Travel through channels where it seems you could almost reach out and touch the Islands. A boxed lunch will be handed out to enjoy during the cruise. Arrive at Heart Island for a visit to Boldt Castle for a self-guided tour. Built by George Boldt, the castle was the ultimate gift of love for his darling wife Louise. When construction of Boldt Castle was well underway, tragedy struck. In January 1904, George sent his workers a telegram saying, "Stop all work, Louise has died." Heartbroken, he never returned to Heart Island again.
