

In-Car Driving Assessment

Our professional, state-certified instructors conduct in-car assessments to help you identify any weaknesses in driving skills to determine what you can do to reduce your driving risk.

Each Assessment lasts 1½ hours during which the instructor observes your driving skills in: Country, City and Highway driving environments.

A confidential, written report will be mailed to you within about 3 days containing objective recommendations. With your permission, we can also send a copy of this report to whomever else you designate (i.e., doctor, occupational therapist, family member, etc.).

This is not a medical assessment.

AAA Members: \$90.00
Non-Members: \$115.00
