

BOOK YOUR 2023-2024 AFFORDABLE LUXURY TRAVEL NOW!

Chances are you've seen photos of overheated tourists sweltering in long lines around the globe this summer. It's not exactly the way I envision a vacation, which should be wonderful, relaxing, and fun-filled. Yet it's no surprise when you consider the travel volume.

AAA data reveals that travelers are not hesitating when it comes to international getaways. In fact, bookings are up more than 200 percent compared to 2022.

Allow me to let you in on a little secret: traveling in the off-season is a rewarding experience. Consider taking your getaway in the first quarter of 2024, and you'll easily immerse yourself in your destination while also benefiting from lower rates.

We've visited places like Italy, Germany, France and beyond during this time to find sidewalk cafes waiting for us, cultural gems calling us, and attentive hospitality staff welcoming us. Looking to cruise? Be one of the first to sail pre-season on Europe's rivers, or head to Bermuda to avoid spring break crowds. Want more island life? Consider a Tahitian bungalow or a seaside retreat before seasonal tourists arrive.

No matter which vacation you choose, don't wait! AAA is seeing an increase in bookings for 2025 and even 2026 as eager travelers have a renewed YOLO (You Only Live Once) attitude.

So how do you plan to beat the crowds? Please enjoy this catalog of ideas, and no matter where you go, remember AAA travel advisors are here for you before, during and after your trip to ensure that your needs are met and your trip goes smoothly. Au revoir!
