

Family Travel Countdown Calendar

Make a chain of loops counting down until your next vacation. Build excitement by tearing off a loop each day.

GRAND CANYON TRIP

write the name of your trip, holiday or vacation above

Safely cut out the countdown strips and main T-shaped strip (where you write the name of your trip).

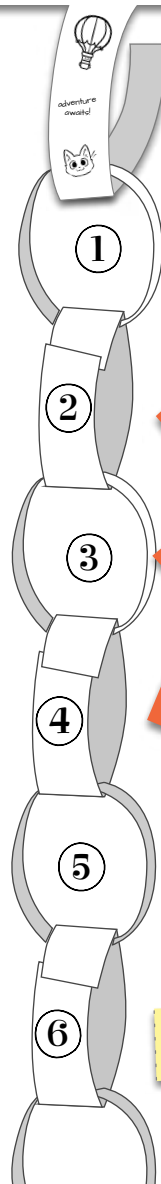

Write the name of your vacation at the top.

Make a main loop at the top.

Make a chain of loops hooking ① to the main loop. Then loop ② into ①. Then loop and tape ③ onto ②. Keep going until you reach ⑫.

You can also add as many extra days as you want with the blank countdown loops.
