Frequently Asked Questions

Do I need a passport?

U.S. citizens on homeport cruises (cruises that begin and end at the same U.S. port) are currently able to enter or depart the country with a state issued birth certificate with a raised seal and government-issued photo ID. While not required, AAA recommends traveling with an original, signed passport valid for 6 months beyond stay, and with at least one blank visa page for visa stamp(s).

When should I book shore excursions?

Your AAA Travel Advisor is happy to help reserve your choice of shore excursions. It's best to book them as soon as possible as they can sell out.

How many bags can I bring?

Two suitcases per person will be allowed by the cruise line. You may also bring a small carry-on bag.

Do I need travel insurance?

For your protection AAA highly recommends travel insurance. Pre-existing medical conditions may be waived with proper coverage only if travel insurance is purchased within 14 days of initial deposit. Other conditions may apply; ask your Travel Advisor. AAA recommends Allianz Insurance.

What is a Discoveries Journey Manager?

A Discoveries Journey Manager travels with you on your entire journey. They are there to ensure your trip runs smoothly so you can sit back and relax. They are constantly working behind the scenes, whether it be at airport check-in or cruise disembarkation, they have you covered!

What will the weather be like?

Average temperatures in Bermuda in May are in the mid 70's. Daytime, casual clothes that can be layered and comfortable walking shoes are recommended.
