What Will The Weather Be Like?

Temperatures for Alaska in August average in the 50s to 70s with cooler mornings and evenings in the 40s. Pack for a variety of temperatures; layers are suggested. Daytime, casual clothes that are designed for warmer climates and breezy higher temperatures, as well as comfortable walking shoes are recommended. For cruising, evenings require casual or semi-formal attire with a formal night and something orange for their Orange Party. Be prepared for potential inclement weather.

How Many Bags May I Bring?

Due to limited space while touring, all passengers are limited to one checked bag no more than 50lbs. You may also bring a small carry-on bag small enough to fit under your seat. Soft sided carry on bags no larger than 17?x14?x4? with a zippered enclosure are recommended. Wheeled carry-on cases that are used as carry-on luggage on airlines are too large and are not suitable as hand-carried luggage. Baggage fees are not included in the price of the trip. Baggage fees and other charges may be directly assessed by airlines or airport.
